Dear Sir:

RESPONSE

In response to the Office Action mailed March 26, 2003, Applicant responds as follows.

In the Claims:

Please amend claims 34 and 60 as follows.

34. (Twice Amended) The food press of claim 18, further comprising:
an actuating mechanism for driving the press plate towards the lid when activated;
wherein the latch assembly is automatically deactivated to discontinue maintaining the
lid in the closed position when the actuating mechanism is not activated.

60. (Amended) The food press of claim 50, further comprising:

an actuating mechanism for driving the press plate towards the lid when activated;

wherein the closure mechanism is automatically deactivated to discontinue maintaining
the lid in the closed position when the actuating mechanism is not activated.
